TAP ROOM

BEER ON TAP

American Fabius
Blonde Ale / 4.8% ABV / 22 IBU

The perfect blend of hops, malt, and subtle esters on the nose, light-bodied, crisp, clean and refreshing with a very balanced finish. A "common," or 'lager-like' blonde ale, designed for balance in all respects: not too sweet, not too bitter, not too hoppy, not too malty.

605
Draft $**6.00**

Czech-style Pilsner / 5.2% ABV / 35 IBU

The 605 is a true-to-style example of an international classic. Modeled after the beer that sparked a world-wide interest in pale lagers, our Bohemian-style Pilsner differs from American domestic lagers primarily in its robust flavor: the perfect harmony of deep malt flavor, spicy Saaz hops, an assertive bitterness with a clean and balanced finish. Subtle yet complex, sessionable and delicious!

Black Hills Gold
Draft $**6.00**

American Pilsner / 5% ABV / 18 IBU

Our take on the standard American lager: crisp and dry, light bodied with a grainy sweetness from the flaked maize. Refreshing and thirst-quenching, full-flavored but light on the palate. Little-to-no hop aroma and highly carbonated.

Rutherfruit B. Haze
Draught $**6.00**

IPA - American / 5.8% ABV / 40 IBU

Our classic American IPA, blended with our American Wheat Ale for a lighter body and a touch of phenolic spice, dosed with Grapefruit and Blood Orange fruit purees in the brite, and finally dry-hopped with Azacca hops. A mix of American-, hazy-, and a fruited IPAs, this beer is slightly bitter but light on the palate, bursting with citrus, and finishes with toasty malt and a hint of pine.

Mal De Ojo
Draft $**6.00**

Mexican Amber Lager / 5% ABV / 19 IBU

Historically derived from Vienna Lagers, the Mexican Amber lager is a clean, malty lager with the slightest hint of toasted malt on the finish. This Lager is malt forward with little-to-no hop aroma, highly carbonated and evenly balanced between sweet and dry. Think Dos Equis Amber or Negro Modelo.

Rooster Red
Draft $**5.00**

Amber Ale / 4.5% ABV / 25 IBU

Caramel and biscuit aroma, balanced body with enough mild hop presence to finish clean. Imagine the classic American amber at its core, fading toward an ESB (Extra Special Bitter) and a Scottish Export around its edges: a toasted malty heart with a subtly-earthy and floral-hop finish.

Funklin D. Roosevelt
Draft $**6.00**

Flemish/Geuze-ish - Belgian-style Sour Brett Beer / 6% ABV / 30 IBU

Rotating selection of tart, sour, Brett, and/or Belgian-style beers.

Trust Buster
12oz Draft $**6.00**

Bourbon Barrel-aged Wee Heavy Scottish Ale / 7.5% ABV / 19 IBU

Sweet malty aroma, medium-bodied, malt-forward with a slightly sweet finish and very low bitterness. Adhering closely to the tradition of a Scottish Export or 80 Shilling, our Scottish is full on the palate with a nice toasty finish, picking up its deep reddish color and malty, caramel-like flavor from the traditional long kettle boil.

BEER ON TAP

Rail Splitter — 12oz Draft $**6.00**

Bourbon Barrel-aged Baltic Porter / 8% ABV / 35 IBU

Baltic Porter originated as an Baltic interpretation of imported British Imperial Stouts. The style is distinguished by being less roasty and a little less boozy than Imperial Stouts, and was often brewed with a lager yeast, which lent itself to an even smoother beer. Our Baltic Porter follows suit: eminently smooth with a full presence on the palate, and slightly more complex with the oak and whiskey nose and a creamy nitrogen pour. Little-to-no hop aroma, restrained black malt, dry and balanced finish.

Buffalo Snot (Nitro) — Draft $**5.00**

Stout - Oatmeal / 4.3% ABV / 28 IBU

Aroma dominated by roasted barley and toasted base malt, followed by the rare combination of both the classic full body and the fleeting dry finish common to Irish-style stouts. A session drinker designed to drink like an Irish Stout but pack a slightly bolder flavor profile.

Double Smoke — Draft $**6.00**

Beech- and Cherrywood Smoked Baltic Porter / 6.2% ABV / 30 IBU

An unabashedly smoky beer for unequivocal smoke lovers, the Double Smoke is a luscious dark glass of wood fires on a cold night. The Beech- and Cherrywood smoked malt dominate this beer in both aroma and flavor. When the smoke softens after the first few drinks, the chocolate malt steps forward and the unmatched balance of a rich full body and clean lager finish found only in Baltic Porters rounds out the experience.

Imperial Chocolate Truffle — 12oz Draft $**7.00**

Barrel-aged Imperial Stout with Chocolate, Cream, & Hazelnuts / 10% ABV / 44 IBU

This beer was originally brewed in Fall of 2020, aged for 1 yr in oak barrels, then blended with chocolate, cream, and 70lbs of cracked, roasted hazelnuts in the brite. Balanced decadence was our goal here: plenty of roasted malt, chocolate, and oaky-vanilla up front, its 10% ABV balanced by a subtle milky sweetness, finishing with a mild hazelnut afterglow and the slightest hint of brett from a year of hibernation in oak.

ON DECK

Agua Chile

Mexican Lager w/Serrano & Pablano Chillies / 5% ABV / 19 IBU

Belgian Wit

Spiced Belgian-style Wheat Beer (Witbier) / 3.5% ABV / 11 IBU
